Reference Documents for the Meeting

Proposal 1 Appropriation of Surplus

The Company proposes the appropriation of surplus as follows:

Year-end dividends

The Company considers the appropriate return of profit to its shareholders as one of management policies of utmost importance, and believes that the paying of dividends should be principally determined by comprehensively taking into consideration consolidated performance trends, the financial situation, and the payout ratio among other data.

The Company has given consideration to matters including the consolidated business performance of the Fiscal Year and future business development, and it proposes to pay year-end dividends for the Fiscal Year as follows, increasing the payment by ¥20 per share compared with the previous fiscal year.

As the Company has already paid an interim dividend of ¥15 per common share of the Company for this period, the annual dividend will be ¥70 per share.

1. Type of dividend property

Cash

2. Allocation of dividend property to shareholders and total amount thereof

The Company proposes to pay a dividend of ¥55 per common share of the Company.

In this event, the total dividends will be ¥5,519,313,800.

3. Effective date of distribution of surplus

The effective date of dividends will be June 28, 2024.
